Graphics clear and fits theme _____/5

Credits _____/5

Closing wow slide _____/5

Comments:

5-Excellent All parts covered
4-Very Good, Most parts covered, few mistakes
3-Good, Most parts covered, some mistakes/errors
2-Poor, Several missing parts, many errors
1-Not Yet-Almost all parts incomplete, many errors

You will need notes on ppt slides and storyboard for video

Extra pts. _____

Went above and beyond requirements

PPT Assignment:

Create a powerpoint that explains and displays as many camera shot examples and tips as you can using a theme. Use yourself in photos, friends, family etc. We might need to crop and select pictures by using a photo editor. You must tell a story with your shots.

Use camera shots link to look at examples of shots. This is located in the shares folder.

2mmediajw/camerashots

Requirements:

Theme/Story

Shots used that tell story/theme

Wow slide

Movement, animation

Sound and Video

1. Music- Clip your music that you will be using for the music video and play on at least the opening slide.
2. Using Audacity features, place a clip of your voice on one of the slides (needs to be altered)
3. Place a clip of your video on one of the slides and custom animate when to play

✓ Print out the ppt handouts camera and video plan and attach
